The Honorable Ken Salazar  
40A Dirksen Basement  
Washington, D.C. 20510-0605

Senator Salazar:

On January 21, 2005, county commissioners from around the state met for CCI's Public Lands Steering Committee to express their concerns with H.R. 3283, the Federal Lands Recreation Enhancement Act.

Colorado County Commissioners voiced concerns with the manner in which H.R. 3283 was passed into law. H.R. 3283 bypassed committee hearings and public comment by appearing in the form of a "rider" on the appropriations bill.

In addition to the manner in which this Act was passed, commissioners are also concerned with substantive features of the act, such as the disproportionate criminal penalties associated with not paying a recreation fee.

On behalf of CCI's Public Lands Steering Committee, I request that you work to repeal H.R. 3283. Thank you.

Sincerely,

Jake Klein  
Otero County Commissioner  
CCI Public Lands Steering Committee Chair
