**Entrance Fee For National Parks Could Be Increased To $70**

October 27, 2017

The National Park Service has proposed more than doubling entrance fees at 17 national parks, including raising the price for guests in cars to $70. What do you think?

“A dollar used to get you a lot more natural wonder.”
Anthony Todd • Defense Subcontractor

“That seems a little steep, considering most of these so-called ‘parks’ don’t even have a roller coaster.”
Zach Sirico • Plaid Designer

“For that kind of cash, I’d better see a shitload of bobcats.”
Gwen Burton • Druggist
